RAW CONCEPT

This food concept is created to provide pets nutrition that Nature intended for them in the first place. Selected fresh, raw and natural ingredients without added artificial preservatives, colours or flavours. Our goal is to make every bite as fresh as possible and for your pet to taste the true taste of nature. No compromise. Just real food.

LINE

RAWIVAL

Rawival is a ultra-premium complete pet food with a high percentage of raw meat. The rawness and freshness of the ingredients are the main characteristics of all the recipes of this line, and there are various combinations and mixtures of flavors: salmon, herring, lamb, quail, duck, pheasant, chicken and turkey.
